Parent Responsibilities *Initial for Agreement*

_____ A. **I will maintain high quality academic standards** using a recognizable program of study. _____ B. **I will submit a Monthly Report** (see attached sample). Information will be true and accurate and will be based upon records of the student's academic progress. If the Monthly Reports &/or tuitions are late, the *student may automatically be withdrawn*. If sent in late, cumulative information will be on all subsequent Report Cards. Reports Cards may not be issued for the quarter when Monthly Reports are missing, or are late (past the 10th of the month).

Participation in private school classes or classes with The Florida Virtual School, Dual Enrollment, scholarships, or any other independent program must be approved by Family Tree Private School. Students are not to list themselves as "Homeschoolers" with these programs, but instead as "Private School Students". It is important to register only as a **private school student**, which is the correct, legal status.

Testing scores will change letter grades according to the percentile scale outlined in the "Promotion" Policy. An "I" for Incomplete will be placed on records, and students will not graduate or be promoted in the absence of annual testing. If there are accommodations given to complete testing, (due to average standardized test scores below the 41%, or ESE status), there will be an asterisk (*) next to the GPA to indicate accommodations were used, and they must be documented.
